ENGLISH STYLE SHOW

This show will be an English style show for all varieties of koi. This means that each exhibitors' koi will be assigned a tank(s) at registration time, and his/her fish shall remain in that tank for the entire show. The purpose of this type of show is to minimize the risk of spreading communicable disease from one owners' fish to another. We are also placing screens between the tanks to avoid cross-contamination from splashing. In order to assure that you will have a tank, please send your reservation form and payment (\$100 / \$75 each for 8ft / 6 ft tank) in by September 30th, 2016.
